

MISSION STATEMENT

MISSION: *Our Mission as a Catholic health care system is to further the healing ministry of Jesus by continually improving the health and well-being of all people, especially the poor, in the communities we serve.*

VISION: *Ministry Health Care is a values-based health care delivery system which, through its exceptional employees and physicians, provides compassionate, quality and cost effective services which focus on the mind, body and spirit.*

VALUES:

- *We provide holistic **SERVICE** that meets people's needs while considering the good of society. We involve people in decisions that are important to them.*

- *Our Christian beliefs shape our **VISION** of social responsibility. We enable risk-taking and reward creativity that improves people's quality of life.*

- *Wherever we are, our **PRESENCE** is marked by compassion, integrity, collaboration and accountability. We set future directions that assure the dignity and development of people above all else.*

- *We stand with the poor. **JUSTICE** calls us to confront conditions of oppression and to help change structures that violate people's dignity.*
